

## Description

Easyroll Spare Wheel to Suit TFT250 TPH150 TST150 TST250 TCT200 is a spare trolley wheel engineered for consistent performance in mobility solutions. Constructed with a polyurethane wheel, steel ball bearings and robust polypropylene components, it offers dependable durability and smooth motion. It fits seamlessly into existing systems and supports ongoing maintenance practices. Designed to meet the technical demands of trade professionals, it provides a reliable, easy-to-integrate option for ensuring operational reliability.

## Features

- Robust polyurethane wheel material for extended usage
- Wheel core and hub built from polypropylene for strength
- High-quality steel ball bearing provides smooth rotation
- Product presented in versatile black finish
- Engineered for both indoor and outdoor usability
- Compatible with Easyroll Spare Wheel to Suit models
- Ball bearing design offers smooth and reliable manoeuvrability
- Designed for practical performance with minimal maintenance needs

## Dimensions

Tread Width	75
Axle Bore ID (F)	20
Wheel Width (C)	80
Wheel Diameter (A)	261

## Weights

Product Weight (grams)	2240
Product Weight (kg)	2.24

**Product Code: TSW01**

## Specifications

Bearing Type	Ball Bearing
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No

## Appearance

Product Colour	Black/Black
----------------	-------------

## Construction

Wheel Core Material	Polypropylene
Wheel Material	Polyurethane
Bearing Material	Steel
Hub Material	Polypropylene
