

Description

Easyroll 150mm Black Rubber Wheel Roller Bearing 370kg. This Colson TG/TH Series Castors product features a heavy duty rubber wheel, a carbon wheel core and a roller bearing system supported by a carbon steel hub. Designed for dependable motion and precise load handling, it delivers smooth rolling performance and robust build quality. Trade professionals benefit from its practical design and technical advantages, making it an efficient solution for various demanding work settings.

Features

- Dual-use design for indoor and outdoor applications
- Heavy duty castor featuring roller bearing construction
- Rubber wheel with carbon core supports robust motion
- Roller bearing ensures smooth, reliable rolling performance
- Carbon steel hub delivers long lasting strength and durability
- TG/TH series designed for demanding load support
- 2-ply wheel rating provides enhanced durability under pressure
- Black finish adds professional, understated appearance

Product Code: W150X60RU15

Specifications

Bearing Type	Roller Bearing
Ply Rating	2
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No

Weights

Load Capacity kg	370.0
------------------	-------

Appearance

Product Colour	Black
----------------	-------

Construction

Wheel Core Material	Carbon
Wheel Material	Rubber
Bearing Material	Carbon
Hub Material	Carbon Steel

Dimensions

Tread Width	41.5
Axle Bore ID (F)	12.5
Wheel Width (C)	44.5
Wheel Diameter (A)	150

Weights

Product Weight (grams)	2000
Product Weight (kg)	2
