MIRROR / CAST
(NOT FOR SALE)**

ACTION: MIRROR

KNURL: CAST

RANGE: BATHROOM

A circular mirror featuring our signature rough-cast knuckle and hand polished metal bar. The mirror can be tilted by hand to adjust to your height. Thanks to the casting process, each knuckle is one-of-a-kind. Suitable for all interior spaces, including bathrooms.

SPECIFICATIONS

A round mirror with tilting action. Made from solid metal bar and cast knuckles, and finished with spun metal screws, refined by hand. The mirror tilts on its axis to adjust to the viewers height. Available in steel and welders black, with durable finishes that make it suitable for bathroom use.

PLEASE NOTE

DISCLAIMER: Always consult a trade professional when installing this product. Buster + Punch is not responsible for the usage or feasibility of installation requirements. This product is not suitable for damp or wet environments. For internal use only. Not for commercial use.

CARE INSTRUCTIONS

Clean regularly with a soft, dry cloth or duster. Wash periodically using a soft cloth and mild soapy water then dry immediately with a clean, soft cloth. Rubbing or wiping should be carried out in the direction of the polish lines, not across them. DO NOT use oily rags or greasy cloths when wiping the product surface. All finishes prone to ageing.
