PULL BAR / DOUBLE-SIDED / CAST

ACTION: PULL BAR

KNURL: CAST

RANGE: PULL BAR

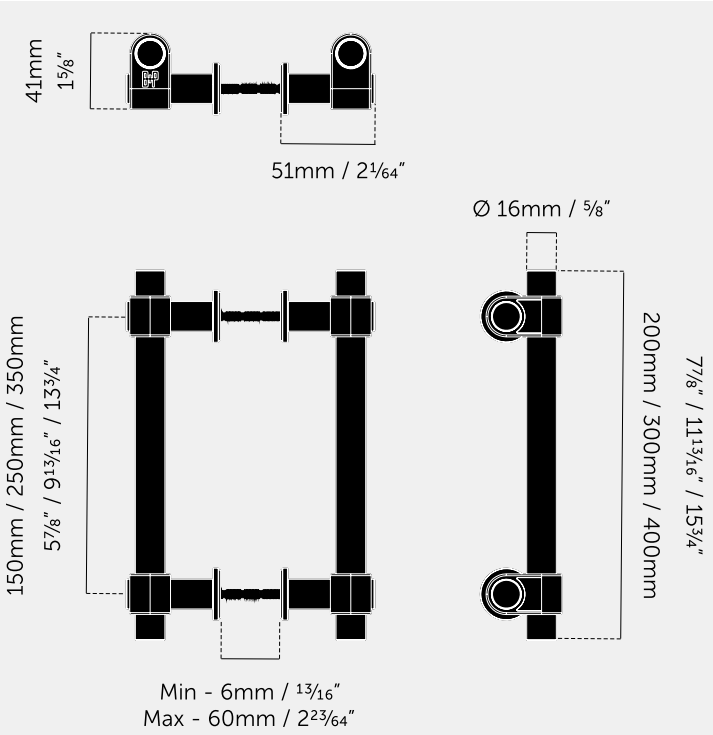

A double-sided pull bar with rough-cast knuckles and hand polished solid metal bar. The unique combination of polished solid metal and cast elements transforms spaces in seconds. Thanks to the casting process, each knuckle is one-of-a-kind. Suitable for all interior spaces, including bathrooms, where it's great for shower doors.

SPECIFICATIONS

A double-sided pull bar made from 304 Stainless Steel, featuring rough-cast knuckles and hand-polished solid metal bars.

Designed for double-sided installation and suitable for all interior spaces, including bathrooms and shower doors.

PLEASE NOTE

DISCLAIMER: Always consult a trade professional when installing this product. Buster + Punch is not responsible for the usage or feasibility of installation requirements.

CARE INSTRUCTIONS

Clean regularly with a soft, dry cloth or duster. Wash periodically using a soft cloth and mild soapy water then dry immediately with a clean, soft cloth. Rubbing or wiping should be carried out in the direction of the polish lines, not across them. DO NOT use oily rags or greasy cloths when wiping the product surface.
