CARE INSTRUCTIONS

Oak: We recommend using a soft cloth with water or if necessary a delicate cleaning agent that is recommended for wooden surfaces. Do not use agents containing ammonia, alcohol, bleach or substances with abrasive properties. The washed surface should be wiped clean by a dry cloth. If by accident something spills, immediately wipe the stain, not allowing too much liquid to contact the furniture surface. Steel / Smoked Bronze: Wipe with damp cloth with no loose hairs, avoid using any chemicals. Please note all finishes are prone to aging.
