

UK KITCHEN HOT TAP / 4 IN 1 / CROSS

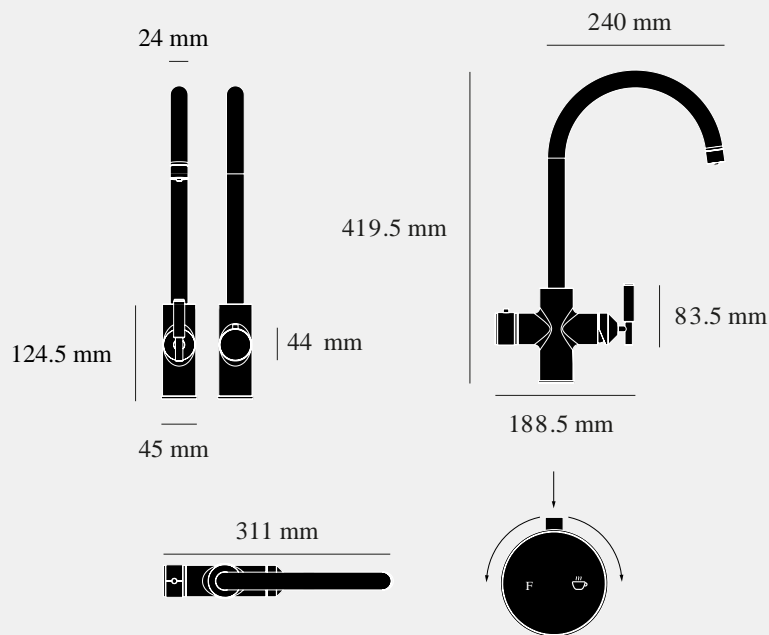

ACTION: 4-IN-1 TAP

KNURL: CROSS

RANGE: 4-IN-1 TAPS

A KITCHEN TAP mixing warm and cold, aerated and filtered water, plus instant hot water. It's designed to complement the B+P KITCHEN and detailing but also provides an eye-catching focal point for any kitchen. Rough-cast, sand-blasted and machined from solid metal in Italy, it features our signature CROSS-KNURL, is refined by hand and finished with a debossed B+P insignia.

UK flexible connector hose diameter: 1/2" ø

EU flexible connector hose diameter: 3/8" ø

360 degree swivel spout.

All Buster + Punch mixer taps conform to European Standard EN817. In some cases, local housing regulations may require mixer taps to be of a higher minimum water pressure standard. In this instance purchase pressure regulator valve from www.busterandpunch.com and consult with a certified plumber about installing.

Note: exceeding these temperatures or water pressures can result in damage

to the tap. A pressure reducing valve may be required to be fitted in high

water pressure situations.
