DOOR HANDLE SET / LINEAR / SPRUNG

ACTION: DOOR HANDLE

KNURL: LINEAR

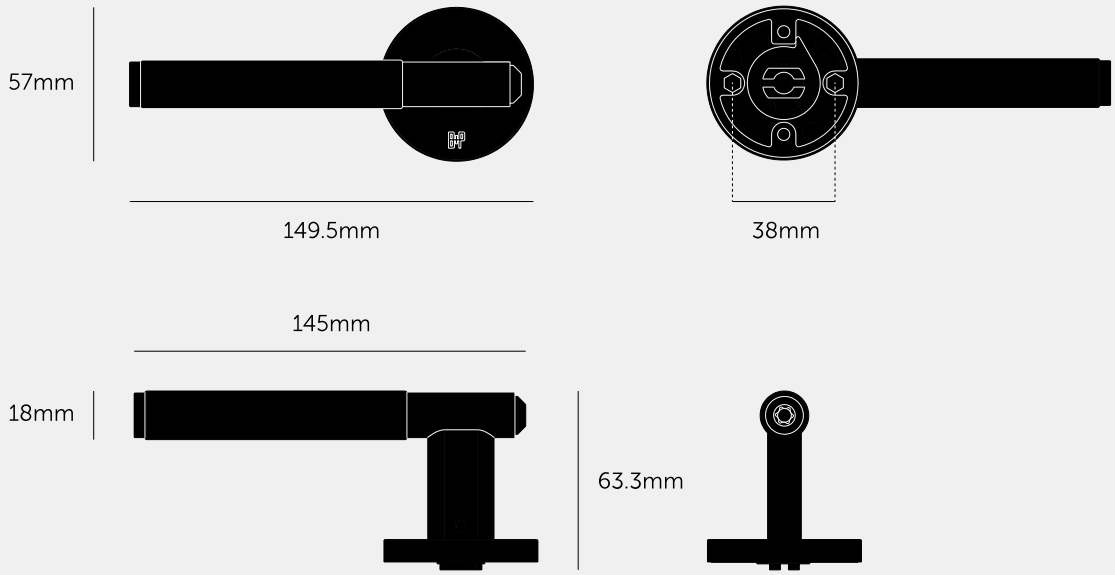

RANGE: DOOR HANDLES

A pair of sprung door handles made from solid metal and featuring our elegant linear knurled detailing and torx screw. Works great on all internal doors and can be combined with our matching door accessories.

SPECIFICATIONS

A pair of solid metal door handles, with an 8mm thick sprung rose. A sprung door lever handle contains a spring in the rose which helps the handle spring back to it's original position.

Designed for use with UK (centre distance 38mm) specific latches.

Compatible with either tubular latches or mortise locks.

Our linear door handle sets use a 5mm spindle with 8mm spindle sleeves.

Suitable for interior doors only.

Fits doors thicknesses of minimum 35mm to maximum 54mm. For thicker doors, longer through bolts and a longer spindle will need to be sourced.
