

1G DIMMER / LED / LINEAR / WITH LOGO

ACTION: DIMMER SWITCH

KNURL: LINEAR

RANGE: DIMMER SWITCHES

A solid metal dimmer switch with our new linear knurled knob designed to feel exceptional with every touch. It can be used on lighting circuits that power dimmable LED, incandescent or halogen bulbs, offering smooth, reliable control across multiple lamp types.

The dimmer is finished with a flat plate and our signature solid metal coin or torx screws, and is available in five different finishes. You can also pair it with our toggle switches, duplex outlets and USB outlets in matching finishes for a cohesive look throughout your space.

SPECIFICATIONS

Our Metal Electricity range has solid stainless steel plates, in our signature white, steel, brass, smoked bronze and black finishes.
