CARE INSTRUCTIONS

Wipe with damp cloth with no loose hairs, avoid using any chemicals. All finishes are prone to aging.

PLEASE NOTE

*This number indicates the centre to centre measurement for the through bolt holes that are used to fit the door. 1.63" is standard for North America and Canada. DISCLAIMER: Always consult a trade professional when installing these tubular latches. Buster + Punch is not responsible for the usage or feasibility of installation requirements. This product is not suitable for damp or wet environments.
