

**TUBULAR LATCH /  
DOOR LEVER /  
PASSAGE**

---

**ACTION: LATCH**

---

**RANGE: LATCHES**

---

Passage and privacy tubular latches, designed to work in conjunction with our North American door lever handles and door knobs. A sprung latch ensures a consistent feel everytime you open the door. Works great on all internal doors. Latches come with strike plates and face plates machined solid metal.

#### PLEASE NOTE

\*This number indicates the centre to centre measurement for the through bolt holes that are used to fit the door. 1.63" is standard for North America and Canada. DISCLAIMER: Always consult a trade professional when installing these tubular latches. Buster + Punch is not responsible for the usage or feasibility of installation requirements. This product is not suitable for damp or wet environments.

#### CARE INSTRUCTIONS

Wipe with damp cloth with no loose hairs, avoid using any chemicals. All finishes are prone to aging.
