Features & Benefits

- Hi-vis for increased prominence on site
- Strong and durable
- Flexible and easy to trim for simple and fast installation

Applications

Mark areas of interest on the stud frame to increase awareness and increase efficiency on site

Installation Instructions/Guidelines

- Designed to be used on stud frames, not designed to be used on any finished surfaces
- Ensure the surface is as clean as possible before applying the tape to create the strongest seal

Handling & Storage

- Store in ambient conditions

  Please note the performance of tape varies in extreme temperatures, subzero temperatures may cause lack of adhesion and high temperatures may cause adhesive residue to be left on the surface once the tape is removed.

  Before applying tape to a finished surface, a trial should be undertaken to test suitability. Please contact our technical department for specific advice.
