

Promesh

Interwoven polypropylene mesh rolls are designed to be both rip and puncture resistant, offering long-lasting protection against heavy foot traffic and spillages. This versatile and flexible material is ideal for various applications, including wrapping newly installed kitchen cabinets to protect against scuffs and dirt. Perfect for both home and commercial environments, these mesh rolls ensure durability and reliability wherever they are used.

Features & Benefits

- Lightweight and easy to handle material
- Water resistant and rip resistant
- Protects flooring against plaster and paint stains
- Interwoven polypropylene mesh rolls for enhanced strength
