

PeelGard® One Coat

Introducing our protective solution that adapts to provide tailored defense in a single application, effectively minimizing potential damage. Ideal for both residential and commercial environments, it acts as a strong shield, reducing failure costs.

With an environmentally friendly, water-based, and non-flammable formula, it ensures protection without harm. Its gentle nature preserves material integrity, and easy residue-free removal simplifies maintenance. UV resistance guarantees long-lasting effectiveness.

Suitable for a wide range of applications, our product embodies efficiency, durability, and sustainability.

This solution is compatible with all types of glass, ceramics, concrete, various metals, and other coated, non-absorbing surfaces. Level of coverage is dependant on usage covering from 80sqm for external heavy duty protection up to 200sqm for light protection.

Features & Benefits
