

PVC Tip Skip Cover

Product Specification

Length	2250mm
Width	1700mm

Made from heavy-duty PVC, Tip Skip Covers are designed to stop rainwater and debris from entering skips. This helps keep the skip's weight down, which can reduce disposal costs. They also help keep skip waste contained, reducing mess and improving site safety.

Magnets on all four sides ensure the cover stays firmly in place, whilst also allowing for quick and easy access.

Features & Benefits

- Magnets for secure fixing and easy access
- Prevents water ingress into the skip
- Reduces disposal costs
- Made from heavy duty PVC

Product Disclaimer

The information provided in all product, safety and technical data sheets is to the best of our knowledge correct but not all-inclusive and without warranty and is to be used solely as a guide. Similarly, all technical advice, whether verbal, in writing, or as a result of sample trials, is for guidance and is given in good faith but without warranty, since site conditions, care and skill of application are beyond our control. Protec International Ltd can accept no liability for the performance of our products, or any damage resulting from handling or contact beyond the value of the material supplied. This does not affect your statutory rights.
