LANETTE CABINET

2024

Ivory, Leather

This capsule-shaped storage piece features an ivory leather paneling trimmed with a prominent stitch detail bisecting the cabinet face. Two doors with curved antique brass handles unite to create a circular centerpiece. The doors open to reveal a shelf and a plush suede-lined, press-to-open drawer with soft-close glides. The top and bottom of this piece are offset with ebony oak wood for a striking contrast of tones and textures. Wood will vary.
