

BAHATI BENCH

2085
Natural Linen
H: 19.5 IN
W: 60 IN
D: 18.5 IN

A long, rectangular seat rests on a perfectly poised iron frame with curved legs to compose the foundation of the Bahati bench. Blackened iron has been hand-forged, yielding delicate details along its thin frame. The seat's cushion is covered in a natural linen. For a matte finish on the legs, lightly brush the iron with a Scotch-Brite pad to take down the sheen.
