Brown and White Hair
on Hide

H: 18 IN

Dia: 21.0 IN

This overstuffed hide stool is soft to the touch and a plush place to rest your feet. Swatches of hide ranging in tones from deep mocha to an auburn caramel dapple the surface in natural grain and texture. Each one, no matter the tones, has a beautiful finish, carefully upholstered with an almost hidden interior stitch. The drum structure rests on disk feet wrapped in top grain leather. Hide tones, patterns and textures will vary.
