

DUSTIN ACCENT TABLE

Natural Iron

H: 22.5 IN

Dia: 18.0 IN

Inspired by the rigid geometric style that is a prominent element in Brutalist architecture this seemingly simple end table possesses details that make it complex. A mango wood top has been chiseled by hand showcasing carved details that have been softened by a black wax finish. It is perfectly poised on a hammered natural iron base which lends a textural element to the intense angles that define its form. It's scaled to fit in a variety of spaces. Finish will vary.
