

GITA LARGE FIRE SCREEN

4870
Antique Brass
H: 34 IN
W: 51.5 IN
D: 7 IN

Distinguished by its simplicity and elegant lines, this classic fire screen is punctuated by detailed knobs resembling scarabs—a historical nod to the Egyptian beetle, which is adored for its charm and is considered a talisman of hope and good luck. The iron frame is finished in antique brass, delivering a subtle sophistication. This piece is a larger version of our Gita fire screen. Screens may tarnish when exposed to high heat.
