

HENDRIX CABINET

4881
 Ebony Oak Frame
 H: 40.5 IN
 W: 48 IN
 D: 18 IN

Modern style and classic craftsmanship create this entertaining cabinet known as the Hendrix. Crafted from solid oak and veneer, it is finished in a deep ebony and accented with angular antique brass handles. A hand-carved geometric motif adds a tactile texture to the façade, which further exemplifies its handcrafted nature. Open the doors, and you'll find plenty of space to store spirits or conceal collectibles.
