

GEMMA SCONCE

49380  
 Pale Brass  
 H: 22 IN  
 W: 6 IN  
 D: 8 IN

Form meets function with this diamond-esque sconce. The smoke crystal form possesses an arresting blend of elements and colors that helps create mesmerizing shadowplay along a wall space. When in use the sharp angles of the faceted structure are both softened and defined by its contents. A pale brass finished steel stem extends from a hexagon-shaped backplate to stylishly showcase this functional gem. Certified for damp locations and intended for interior use..
