

EMMETT SCONCE

49670
 Antique Brass, Bronze
 H: 18.5 IN
 W: 5 IN
 D: 4 IN

Showcasing a set of swirl glass shades in a matte finish that resembles alabaster, the Emmett is simple, stylish and sophisticated. Each flows into steel cups finished in bronze, which brilliantly contrasts with its antique brass steel backplate. A sublime choice for a powder room or modern spaces. Can be installed horizontally or vertically. Certified for damp locations and intended for interior use.
