## OBRA SCNCE

49799  
White Gesso, Steel

With a geometric, abstract-style profile, the Obra channels a modern Bauhaus aesthetic. The slender silhouette is composed of a white gesso steel foundation with a white linen demilune shade. The oval shape of the backing complements the style of the half-moon shape of the shade, and the different finishes create a monochromatic story for this piece. Finish will vary. Certified for damp locations and intended for interior use.
