

OZONA SCONCE

49815  
 Black Marble  
 H: 18 IN  
 W: 5 IN  
 D: 4 IN

The Ozona redefines modern, moody corridor lighting. A black marble block hovers over an antique brass steel frame, neatly concealing an LED light that illuminates the contrasting elements of each finish. A frosted glass diffuser softens the glow and further adds to its high-design aesthetic. Marble will vary. Certified for damp locations and intended for interior use.
