

CAMERON COUNTER STOOL

5564
 Chestnut Wash
 Rattan Peel
 H: 36.5 IN
 W: 18 IN
 D: 20 IN

Thinly sliced pieces of rattan peel are first steamed and then bent by hand to shape this stylish seat. A chestnut wash finish and exposed feet work to further enhance its natural characteristics and the double-layer of its open-form structure adds airiness. With no arms and a slightly angled back this stool easily slides under any countertop. finish will vary.
