## CAMPBELL COFFEE TABLE

5568  
Sandblasted Soft Black Waxed,  
Wood

Inspired by the rich rustic quality of our Scout Side Table we've designed a cocktail version in its image--crafted from blackened wood which is first sandblasted to give an intense charred wood finish that you can see and feel. The top uniquely has an added brushed texture and a slight gloss is achieved from a final wax coat delivering a modern polish. The large-scale top extends over the base to create a floating effect--a great focal point for a contemporary living space.
