

HAMZA CHAIR

5663  
 Mink Leather  
 H: 27 IN  
 W: 28.5 IN  
 D: 26.5 IN

Concentric layers of thick, palm gray rattan poles frame the foundation of this elegantly eccentric and wildly organic chair. The rounded arms seamlessly flow into a tightly wrapped pencil rattan back that sits low for maximum support. A comfy mink leather cushion completes the seat, elevating the look with an edgy appeal. Its natural aesthetic allows this piece to easily blend with existing décor. Finish will vary.
