

BLUME VASES, SET OF 3

7712
White Wash

Deliver organic elegance to a tablescape with this set of ceramic vases. Each is different in shape and size and features a white-wash finish that creates faux bois texture. The mouth of each vase is organic in shape and tear-like—shaping a visual point of interest. This watertight trio is ideal for boasting various bouquets but is just as stunning as a grouped accent for a console table or bookshelf. finish will vary.
