

LILO CHANDELIER

85022
 White
 H: 23.5 IN
 Dia: 29.0 IN

The Lilo combines a classic shape with unique natural materials. The shallow but wide bell-shaped silhouette of the shade is constructed of varied white wooden beads neatly housing three bulbs, and suspended by an antique brass iron chain. Rustic yet modern, the unique, low-profile construction delivers tons of texture. A wide disc-shaped finial tops the shade as a matching textural accent. Finish will vary. Additional chain available (CHN-247).
