

ARTERIO RS

TROON LINEAR CHANDELIER

89330
Antique Brass, Steel

A representation of modern sophistication, this multi-light electrolier defines a space. Varying sizes of opal swirl glass globes embellish a sleek and slender steel frame that works to ground the slightly whimsical design. Small, clear crystal knobs contrast beautifully with the antique brass finish and with the visual textures presented by the swirl finish that graces the glass. Glass will vary. Certified for damp locations and intended for interior use. Additional pipe available (PIPE-101).
