

GRIFF CHANDELIER

89485
 Antique Brass
 H: 19 IN
 Dia: 39.0 IN

Sleek, modern and unexpectedly full of texture, the Griff delivers an unrivaled dynamic to a space. Its slender profile is composed of solid steel, which has been finished in antique brass and chiseled with a chattered detail that lends a handcrafted character to the piece. A focal point for any modern setting, though we see this chandelier styled over a dining table. For a larger table, try hanging in multiples to maximize impact. Finish will vary. Additional pipe available (PIPE-232). Certified for damp locations and intended for interior use.
