

SAGINAW LINEAR CHANDELIER

89496
 White Linen, Gray
 Wash Wood
 H: 23.5 IN
 W: 41 IN
 D: 13 IN

An elegant mix of materials form the versatile Saginaw chandelier. Constructed with a trough of crisp white linen that forms a linear shade, the angular fixture introduces gray-washed wood in a sling design that is as striking as it is functional. The piece is suspended by antique brass pipes and an antique brass canopy that has a gray-washed wood accent. Certified for damp locations and intended for interior use.
