

PAULINO CHANDELIER

89497  
Opal Glass, Gray Wash  
Wood  
H: 24 IN  
Dia: 18.0 IN

With distinctive good looks, the Paulino chandelier makes a handsome accessory in any small space. The three-light fixture is constructed with opal glass cylinder shades, banded with antique brass steel and accented with gray-washed wood finials. Wood also details the stem, uniting with the contrasting piping and a canopy in antique brass. Certified for damp locations and intended for interior use.
