

ROSABEL CHANDELIER

89651
 Antique Brass, White
 Alabaster
 H: 23 IN
 W: 55.5 IN

Mod, '60s-era mobile construction informs the design of the Rosabel chandelier. The inspired fixture is created with pivoting, flat-faced, white alabaster discs, encased in antique brass iron. Lustrous antique brass iron also forms the chandelier's linear suspension framework. Finish will vary. Integrated LED. Certified for damp locations and intended for interior use.
