

SANTORINI CHANDELIER

89660
 Blue Smoke Luster
 Glass
 H: 24.5 IN
 Dia: 44.0 IN

A modern take on maximalism, our commanding Santorini chandelier is fashioned in lustrous, blue smoke seedy glass that folds over a circular frame constructed in antique brass iron. The large-scale LED light casts a warm halo over any room. Finish will vary. Certified for damp locations and intended for interior use.
