RAINE CHANDELIER

89662
Blue Smoke Luster, Glass

Our Raine chandelier was inspired by the vintage Murano glass lighting made popular in the '60s and '70s. The tear-drop silhouette is embellished with rounded layers of lustrous, blue smoke seedy glass, in staggered sizes, that fold over a tiered iron frame, which is finished in antique brass. The result is a dramatic and textural waterfall effect. The glass pieces can be removed to provide additional illumination if desired. Finish will vary. Certified for damp locations and intended for interior use.
