

VON-WEBBER MIRROR

9630
 White
 D: 2 IN
 Dia: 32.0 IN

Let the austere grandeur of this alabaster mirror effortlessly elevate a space. White alabaster and antique brass keystones frame a round plain mirror, delivering the right amount of drama to its luxe style. The textural yet polished frame delivers maximum luster when hung over a vanity or console. Hung with a security cleat attachment. Alabaster may vary.
