

DECILIA SCULPTURE

ASC21
 Matte White Plaster
 H: 26.5 IN
 W: 14 IN
 D: 10 IN

Updating the artistry of the Renaissance for a modern age, Decilia's flowing resin form recalls a classical feminine bust. We gave this architectural figure a contemporary twist in matte white plaster. Suspended securely on a thin English bronze-plated post extending from a matching rectangular steel base. Finish will vary.
