

LENNON FLUSH MOUNT

DFC25
 Chattered Vintage
 Silver
 H: 3.5 IN
 Dia: 5.5 IN

Offering simple geometry and juxtaposition, an orb of seeded slump glass rests within a rounded fixture of chattered steel finished in vintage silver, creating a tactile interplay of texture and shine. This frosted LED flush mount casts a soft, ambient glow, and multiple fixtures can be grouped for dramatic effect as a wall sconce. Certified for damp locations and intended for interior use. Finish will vary.
