## HOLM LINEAR CHANDELIER

Jay Jeffers

DJ89001

Pewter, Steel

Both elegant and strong, this rectilinear chandelier is reminiscent of Italian master Carl Fagurland. The pewter finish delicately holds the shades of two glass layers creating playful shadows of light. The clear ribbed interior glass mixed with the blue smoke outer glass create beautiful diffused light. Perfect over a dining table or centered over a kitchen island. Additional pipe available (PIPE-493). Certified for damp locations and intended for interior use.
