RONDELLE CHANDELIER

Laura Kirar

DK82001

Blackened Iron, Iron

The Rondelle chandelier marries contemporary and industrial design with a slight Deco appeal. This eight-light chandelier fits the bill for essential modern lighting. A blackened iron frame presents a myriad of clear seedy glass discs, each paired with another by an iron spoke. Clear seedy glass diamond-shaped embellishments further accent the frame that is suspended by a unique hook chain—a technical detail that plays up its modern aesthetic. Additional pipe available (PIPE-236). Certified for damp locations and intended for interior use.
