

WHITNEY CHANDELIER

DLC05
Smoke Luster
H: 16 IN
Dia: 42.0 IN

Imparting a moody sophistication to any space, the Whitney chandelier is composed of an antique brass iron body, with futuristic, smoky slump luster glass disc shapes that visually encase the frosted glass bulb inside. The LED chandelier emits a diffused, glow from each glass shade. Finish will vary. Certified for damp locations and intended for interior use.
