

TOWNE CHANDELIER

DLC07  
 Clear Seedy  
 H: 12.5 IN  
 W: 56 IN  
 D: 40 IN

With a dynamic, mobile-style design, the Towne chandelier is created of alternating, up-and-down-facing discs of clear seedy slump glass and opaque opal glass shades. The clever composition results in a reflector effect, allowing light to dance across a space. The largescale illuminator fits tight to the ceiling, with a linear construction in an antique brass finish. Finish will vary. Certified for damp locations and intended for interior use.
