MCVEY CHANDELIER

DLC21
Antique Brass, Steel

The kinetic charm of Mid-Century design is reflected in our McVey. Inspired by modern art mobiles, it was made to be equally impactful when hung from low or high ceilings. Cantilevered rods of steel finished in antiqued brass are offset by upward-facing conical shades lacquered in paprika, while pure white interiors reflect light to create a warm, even glow. Certified for damp locations and intended for interior use.
