DLC42 LIBERTY CHANDELIER ARTERIOS

DLC42
Antique Brass, Iron

An upscale theater marquee light inspired our oversized, round chandelier. Punctuated with eight globes of matte opal glass, a frame of antique brass-plated iron is covered with hand-stitched sleeves of faux shagreen leather that adds a subtle contrast to the polished surface. The scale and texture of this piece make it an eye-catching option for an entryway or large living room. Finish will vary.
