

SAVION CHANDELIER

DMC07  
 White Onyx  
 H: 18 IN  
 Dia: 29.0 IN

A chic expression in any space, the Savion LED chandelier is crafted with gorgeous, polished white onyx, creating a warm filtered glow. LEDs rest behind the diffusers, accentuating the stone's organic veins and natural beauty. The circular plates rise from a hexagonal, antique brass finished steel framework. Finish will vary. Certified for damp locations and intended for interior use.
