## TUSCANY CHANDELIER

DMC08  
Smoke Luster, Glass

Imposing and elegant, the Tuscany chandelier is constructed in a triangular geometry of abstract glass shield shapes. The smoky, lustrous slump glass is fixed to drum-style framework in antique-brass iron. The result is a composition resembling a jewelry bangle. Each textured glass plate is ornamented with antique brass iron that mimics the shape of the glass. The fixture is fitted with a suspension pipe, also in antique brass iron. Certified for damp locations and intended for interior use.
