

LEANDRA PENDANT

DPC20  
Opal Swirl  
H: 27.5 IN  
Dia: 8.0 IN

A modern take on a traditional Asian lantern, this shade of opal swirl glass is suspended by hand braided white leather at the top and tasseled at the bottom. The leather-wrapped cord can be adjusted to achieve the preferred fixture height while the canopy can be repositioned to adjust the height and width of the draped section for a personalized look. Certified for damp locations and intended for interior use. Finish will vary.
