

TENZIN LINEAR CHANDELIER

DRC03
 English Bronze
 H: 22.5 IN
 W: 49 IN
 D: 4 IN

Playful yet refined, the Tenzin chandelier is reminiscent of beads strung along a chord. The imaginative accent is forged with English bronze iron in a linear, capsule silhouette with orbs and tubular shapes of opal swirl glass encircling the frame. The integrated LED light is fitted with a dual pipe suspension. Finish will vary. Certified for damp locations and intended for interior use.
