

ZACHARY LINEAR CHANDELIER

DRC05
 Taupe
 H: 13 IN
 W: 52 IN
 D: 11.5 IN

A streamlined linear chandelier adds a sophisticated anchor to any setting. Architectural in scale, a quartet of drum-shaped powder-coated steel shades in taupe are bisected with elegant metal accents of English bronze steel. Suspended from matching dual pipes, this two-toned fixture is a bold statement. Certified for damp locations and intended for interior use.
